'What our delighted clients have to say'

Kim Martin
Licensed Agent

"I am writing to express my gratitude for all that R A Lawrence has done for me in regard to the recent sale of my house. Kim Martin could not have done more. From the beginning she was attentive, professional, understood my requirements and how best to present the property, and was unfailingly kind and encouraging. Furthermore, the price I received for my property was at the very top of the estimated price range, which was an excellent result. I would not hesitate to recommend your company to anyone in the Mountains who wished to engage an estate agent to sell their property. I had already heard that RA Lawrence was the top agency in the area and my experience confirms it".

Jennifer Edwards
Licensed Agent

"To say Jennifer Edwards knows the business is a massive understatement. She's savvy, intuitive, hardworking and a lovely lady who supports you through the sale process, both professionally and personally. She kept me up to date every step of the way, working around my busy schedule, patiently listening to my concerns and always giving me sound advice. From the pricing, to preparing the house for sale, to the eventual negotiations and final exchange, I felt totally confident in her judgement. She told me she wouldn't sell my house until I was ready. It's a rare thing to find an agent who isn't greedy for a sale, rather having your best interests at heart, understanding that the sale of a home is not just a business transaction, but an intensely personal charter in your life. I cannot recommend Jennifer Edwards highly enough!"

"Upon meeting Robyn Rawle from RA Lawrence, I found her experienced, composed manner immediately reassuring. Alongside her punctuality, local knowledge and clear communication about the property and the subsequent purchase process, Robyn's impressive professionalism was a standout. My choice in buying my home with Robyn was totally validated as everything proceeded smoothly without any sense of "pressure". I am extremely pleased with the wonderful outcome, especially as Robyn co-ordinated the happy interaction between myself and the vendors, whom I believe were equally delighted. Selling or buying property is always a daunting undertaking for most people, however Robyn and the team at RA Lawrence proactively made it a personally positive experience with a great result for all involved".
